A dynamic illustration of Batman in his suit, crouching and looking forward. Behind him is a large, stylized bat symbol. The background is a mix of red and orange, with some dark, jagged shapes on the left side. The word "BATMAN" is written in large, bold, white letters with a red outline, positioned across the top of the bat symbol.

Dear Johnny DC,

I like the Powerpuff Girls. Why does Buttercup have a problem with her sisters?

Sometimes I think too much about cartoons. I don't even pay attention in school!

Abigail O'Neal
Gloucester, Virginia

Blossom says sometimes it's hard even for her to pay attention in school. There are so many things she wants to think about and do. We just have to do our best!

— Johnny DC

DRAWING BY ABIGAIL O'NEAL

Dear Johnny DC,

I just want to tell you how much I loved your POWERPUFF GIRLS comics. I wish you would make more of them. Tell Bubbles that she is so cool. Why is Buttercup so mean?

Blossom is smartest, Bubbles is cutest and sweetest, and Buttercup is the strongest. They are cool.

Shelby Bartley
Jenkins, Kentucky

Abigail, Shelby — Buttercup doesn't have a problem with her sisters — she just thinks she's right all the time!

Now the Girls have to try even harder to get along. Because they don't have their own comic book anymore, they have to play nicely with all of the characters in CARTOON NETWORK BLOCK PARTY! — Johnny DC

DRAWING BY SHELBY BARTLEY

Dear Powerpuff Girls,

I have decided to be a Powerpuff Girl, just like you. I want to be red, and I want to be named Ali. Powerpuff Girl. My hair is going to be blue, and then I want to totally have powers. I want to save the world and get rid of evil on the planet.

Alex Hopkins
Danville, Virginia

Buttercup says welcome to the club!

Johnny DC

DRAWING BY ALEX HOPKINS

Dear all PPGs,

I have made up teenagers of all three of you! Wanna see? I have sent the picture so you can see.

Buttercup, I want you to know that you're my second favorite. Bubbles, I kind of like you. Blossom, you're my Number One favorite!

Delaney Shultz, age 11
Mt. Vernon, New York

You forgot to draw the Professor with a pot belly and no hair!

— Johnny DC

DRAWING BY DELANEY SHULTZ

Dear Johnny DC,

A few belated comments on CARTOON NETWORK BLOCK PARTY #21 — I enjoyed the POWERPUFF GIRLS story the most, as it seemed quite realistic (per today's headlines) that Mojo Jojo would file a damage suit against the Girls and find a soft-hearted (and headed) Judge. Professor Utonium had a good part in the story. I think future

stories should beef up his role. After all, he is their father, not to mention their creator!

It must be nice to have Mojo Jojo out of the guest room. He sheds on the furniture.

Charles D. Brown
Brentwood, New York

There's a guy called Death, a duck named Gaffy, and a bunch of messed-up movie classics in LOONEY TUNES #150, on sale now! — Johnny DC
